FACILITIES OVERVIEW

This portfolio offers two shipbuilding fabrication facilities in Moss Point. The shipyards have historically served VT Halter Marine's vessel construction operations.

Easy access to main highways and in close proximity to nearby rivers and the Gulf of Mexico for marine transport. The properties possess a wide variety of capabilities for different fabrications, construction and structural assembly.

PRIOR FACILITY UTILIZATION:

- Modular Construction
- Structural Fabrication
- Pressure Vessel Fabrication
- Pipe Fabrication
- Specialized Machine Shop Services
- Blast + Paint Facilities
